

Advisory for Investors awareness regarding Impersonation of our SMS Header “KMJSTK”

Dear Sir/ Madam,

This is to inform you that on 29th June, 2026 we received a call from a random person, who is not associated with us in any capacity, informing us that he had received an SMS message about “settlement of funds” along with a link.

Since, then we have come across a couple of instances wherein our firm name “K M JAIN STOCK BROKERS PVT LTD- registered under SMS Header: KMJSTK” has been impersonated for nefarious phishing purpose, through an extraneous system generated SMS dispersal tool about “Settlement of Funds” along with a link on Sunday, 28/06/2026 which was neither a settlement day nor a working day for us as a Stock Broker.

At our end we have verified that none of our systems – Email or Official Mobile numbers have been used for this purpose. Fake SMS are being generated through an extraneous SMS dispenser to conceal the identity of miscreant by using our SMS Header: KMJSTK.

We request all our associates to ignore such SMS. Believe only the messages sent through our official sources, namely:

Email – accounts@kmjpl.com; kmjainmumbai@gmail.com

Mobile No. – 7304521237; 9136639042

And do not click on any link sent through unverified sources. A snapshot of the message shared by a random person is attached herewith.

We have informed the Regulators – TRAI (Telecom Regulatory Authority of India) - approved block chain network service provider i.e. STPL (Formerly VMIPL) and filed a complaint in National Cyber Crime Reporting Portal.

All necessary steps have been taken and subsequently informed to Stock Exchanges namely BSE NSE.

For K M JAIN STOCK BROKERS PVT LTD
Director – Anand Jain
